

# Kyle Rea

CONCEPT ARTIST

## Profile

I'm a super passionate award winning artist of multiple calibers stemming from my love of comic books and movies as a child. I've produced a feature film, shorts, commercials, fashion shows, profitable art brands and a horror franchise. I'm also a marketing strategist.

## Employment History

### Concept Artist, ChameleonArtistry.com, Los Angeles

JULY 2022 – JULY 2023

Getting into ai before the mainstream really caught on was a benefit as I started becoming a prompt engineer and realizing the full capabilities of what we can accomplish with artificial intelligence.
